

K2's Automation & Workflow Productivity Conference

 Monday, October 5 2026 9:30am - 5:00pm EDT  Virtual 8.00 Credits  Member Price: \$359

You could pay \$0 for this course! Explore the evolving role of artificial intelligence in accounting through a conference designed to help professionals understand both the promise and the practical realities of today's tools. This event examines the critical differences between generative AI and emerging agentic AI systems, highlighting how each can be used to improve efficiency, decision-making, workflow execution, and advisory services across the profession. Attendees will also gain a practical introduction to getting started with widely used AI tools such as ChatGPT, Copilot, and Bard, with clear guidance on how to use them to enhance productivity and day-to-day performance. Together, these sessions provide a strong foundation for understanding where AI is today, where it is going, and how accounting professionals can begin using it with confidence. **How to Register:** Former MECPA, NHSCPA, RISCPA and VTCPA members: You'll need to create your NECPAs account before registering. Complete the "New England Incoming Member" application, then log in and register for the event. Your full membership profile, CPE history and other information will continue to be migrated from your original state. Non-members: We'd love to have you join us! You'll need to create a free guest account before registering for the event. Already have a NECPAs/MassCPAs account? Simply log in with your existing username and password. [CREATE OR ACCESS YOUR ACCOUNT] If you need assistance, please reach out to Mary Chappuis at mchappuis@necpas.org or 617.556.4000 and we will help you sign up. This course qualifies for reimbursement through the state's Workforce Training Express Fund. Firms/companies with fewer than 50 staff can be reimbursed up to 100% of the cost of training and firms/companies with 50-100 employees can be reimbursed up to 50% of the cost of training. You must register for the course and apply for reimbursement through the Workforce Training Express Fund website a minimum of three weeks prior to the start of the course. The course code for this program is C-15253. To learn more, [click here](#) or contact Julia Ekelund at jekelund@masscpas.org.

Women's Leadership Summit
